Transmittal #A12**

Dear EPSDT Special Services Provider:

Enclosed please find the new EPSDT Special Services Home Health Fax Form and accompanying instructions. EPSDT Special Services providers shall begin using the form effective October 1, 2003. The child's Plan of Care should be included with this form. Please be advised that the EPSDT Special Services Home Health Fax Form does not replace the telephonic preauthorization review process through Healthcare Review Corporation (known as National Health Services as of October 1, 2003).

Your agency may copy the blank form or download an electronic version of this form from the DMS web site. The web address is chs.state.ky.us/dms. Once you have reached this address, click on the link to "Provider Resources", then click on the link to "2003 Provider Letters" and click on the link to Provider Type 45 and follow the downloading instructions on the screen. Any EPSDT Special Services Home Health Fax Form that has been altered from the original format of the current version as found on the above website will not be accepted.
